Brookwood Community Farm's Annual Seedling Sale!

May 20<sup>th</sup> and 21<sup>st</sup>, 10-3pm Open to Public!  
9am-10am Members Only!

Below you'll find our 2017 varieties list! We'll have all these seedlings available for sale to help your garden be lush and bountiful this summer!

We will be restocking the sale throughout the two days, but once a seedling is sold out, it's sold out! Come early for the best selection.

We'll also have seeds, soil, honey, and maple syrup for sale both days. We accept cash, check or credit card (Cash checkout lines are always the shortest!)

We'll have refreshments for sale, pie samples from Bushel & Crumb on Saturday, and Master Gardeners on hand both days to answer all your garden questions- for free.

Limited parking is available on site, but plentiful at our neighbor Meditech (follow the signs on Blue Hill River Rd). There is a shuttle back and forth.

Thank you for your support!
