

Summer Watermelon, Herb and Feta Salad

Source: Simca

Ingredients

3 cups cubed watermelon
2 cups cubed cucumber
1/4 red onion, thinly sliced
1/2 cup thinly sliced herbs such as basil, mint and cilantro
1/2 cup feta cheese, roughly crumbled*
1 tbsp lime juice
freshly cracked black pepper to taste
Olive oil to taste

Directions Toss the watermelon with the cucumber, herbs, onion and lime juice. Gently mix in the feta, drizzle with olive oil and serve with fresh black pepper to taste.

Notes: if you want some added kick, finely dice a hot pepper and sprinkle that on top

*Other salty, firm cheeses work well also. Grilled Haloumi is a great substitute
